Grand avenue on to the rear of the

At St. Andrew's M. E. church next
Sunday there will be a service, with
preaching by Mr. Barber at 10:30 and at
2:30 p. m., on Ocean Grove love feast.
There will be preaching by Mr. Barker
again at 7 p. m., the closing service of
this series of meetings.

The friends of Rev. A. Douglass Miller
are very sorry that he has felt com-
pelled to resign as rector of Grace
Episcopal church. The reason he re-
signed was because the climate of New
Haven does not agree with himself and
family. The resignation is to take ef-
fect about January 1 and a parish
meeting has been called for Monday
evening to take action. Mr. Miller has
been here about six years and succeeded
the late Rev. E. T. Sanford of New
Milford.

Jacob Friedel, the ivoryman, who
recently submitted to an operation for
removal of a tumor, is improving sat-
isfactorily.

largely attended and a great success.

day.

The Fair Haven-built schooner Jacob

ceiving a new head to mainmast and
new maintopmast, spars just in a re-
cent gala. The Reed is one of the first
vessels launched for the Hanscom fleet.

Too Tired to Smile

Weak, Weary and Worn

Dizziness, Impure Blood—Cured by Hood's.

Many weak and worn-out women
know just what this means. In totally
unfit condition
for work, they
force themselves
through the daily
routine of duties,
almost too dis-
couraged to even
look for relief.
But it is to be
found in Hood's
Sarsaparilla,
which makes the
blood pure, builds
up the nerves,
makes the weak
strong and gives
a cheerful spirit.

"I have suffered more than tongue can
tell from dizziness and severe pains in my
head. I also felt so low spirited that I
often said I wished I was dead. A friend
suggested that I try Hood's Sarsaparilla.
I gave it a trial and was more than sur-
prised to see what a great change came
over me after I had taken the first bottle.
I felt better right away. I have now taken

Hood's Sarsaparilla

and am happy to say
I am entirely cured.
I would advise all
suffering on account of impure blood to
try Hood's Sarsaparilla. It will cure." Mrs.
W. E. SMITH, 319 E. 88th St., N. Y. City.

way.

Judge Shumway in the superior court
has overruled the demurrer in the case
of Ferguson of Stamford against the
Consolidated railroad. The demurrer
was filed by Robbins and Scofield for
the Fergusons and the decision of Judge
Shumway gives the railroad another
victory. The case deals with the peti-
tion of the Consolidated road for the con-
demnation of certain land in Stamford
and the Fergusons moved to set aside
the petition.

his decision on the motion to remove
Thomas J. Donnelly from the adminis-
tratorship of the estate of his father,
the late Francis Donnelly. The court
found that Mr. Donnelly had not prop-
erly managed the estate and announced
that his successor would be appointed
to-morrow. James P. Bree, counsel for
Mr. Donnelly, announced that he will
appeal the case to the superior court.

City Court—Criminal Side—Judge Dow.

Bad Eggs Thrown at Nye.

Patterson, Oct. 30.—Bill Nye, the hu-
morist, and Bert Poole were adver-
tised to deliver a lecture in the First
Baptist church in this city last night
on "Farming Exposed."

Nye was not very well received. After
the lecture he and Poole drove in a
carriage to the Erie depot to take
the midnight train for New York.

A crowd of young men secured over-
ripe eggs and hurled them at the car-
riage. Nye was struck in the back and
the carriage was covered with the bad
eggs.

Governor Clarke Stirred Up.

Hot Springs, Oct. 30.—Attorney Gen-
eral Kinsworthy arrived from Little
Rock at 7:30 a. m. He reported that
proceedings under another law will be
instituted against Corbett and party.

It is the general belief that the gov-
ernor will order out troops this after-
noon if Fitzsimmons escapes his war-
rants and gets into the hands of the
Hot Springs sheriff.

Mrs. McClurg's Last Lecture.

This evening in the United church
chapel Mrs. Virginia Donaghe McClurg
will give the last lecture of her deligh-
tful course on "The Pre-Historic South-
west." The others have been given in
the afternoon, but as this was to be
illustrated by stereopticon views it
seemed best to change the hour from 3
to 8 o'clock. It is hoped this change will
result in a very large attendance of
those whose afternoons are occupied
and that Mrs. McClurg may be greeted
by an audience such as her charm-
ing lecture will merit. Her special
subject for this evening will be "The
People of the Pueblos." She will give
a resume of her former lectures, as
well as much new information, so that
any who have been unfortunate enough
to miss the others of the course will
greatly enjoy this. She has about fifty
stereopticon slides made from views she
took herself in the cliff dwellings un-
der great difficulties, as the dwellers
in these homes object seriously to hav-
ing photographs taken, on account of an
old superstition that some virtue goes
out from them into the picture.

Mrs. McClurg's style is both learned
and entertaining, an unusual combi-
nation, her command of English remark-
able, her sense of humor keen, so that
she pleases both old and young.

Tickets, price seventy-five cents, can
be had at Judd's, Auger's and at the
door.

Died in Hamden.

Solomon Hazleton, a well known col-
ored man, collector of ashes in the city
for years, died at his home on Prospect
street yesterday morning after a two
weeks' illness with malarial fever. His
age was forty-seven. The funeral takes
place to-morrow (Friday) afternoon.
The interment will be in Hamden Plains
cemetery.

WE KNOW ABOUT THIS.

We Have Thoroughly Invest-
igated the Matter.

And We Assure our Readers
of its Absolute Truth.

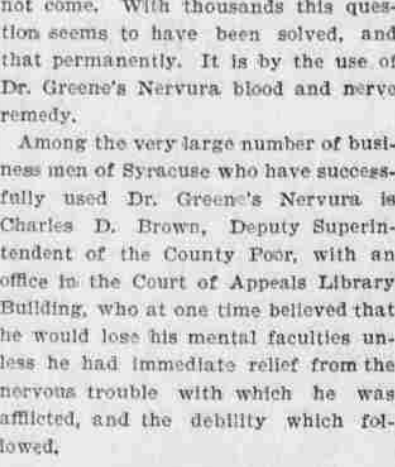

County Superintendent Brown Was
Terribly Weak and Nervous.

Took Dr. Greene's Nervura
and is Now a Well Man.

Says He Feels Endowed With New
Vigor and Health.

"How can I get rest and strength
when they are required?" This is a
question that is daily asked by thou-
sands of men and women who become
so unstrung and nervous that when
opportunity is afforded for rest it does
not come. With thousands this ques-
tion seems to have been solved, and
that permanently. It is by the use of
Dr. Greene's Nervura blood and nerve
remedy.

Among the very large number of busi-
ness men of Syracuse who have suc-
cessfully used Dr. Greene's Nervura is
Charles D. Brown, Deputy Superin-
tendent of the County Poor, with an
office in the Court of Appeals Library
Building, who at one time believed that
he would lose his mental faculties un-
less he had immediate relief from the
nervous trouble with which he was
afflicted, and the debility which fol-
lowed.

In describing his experience, Mr.
Brown said:
"I went home a short time ago thor-
oughly imbued with the idea that I had
made my last visit to my office, and
that my nervous system had become so
shattered that I never would be fitted
for business again. I was in such a
condition that I believed an insane asy-
lum was staring me in the face. I found
it impossible to sleep or get any rest at
any hour of the day. My wife and
family became thoroughly alarmed and
insisted on sending for the family phy-
sician. His calls seemed to be without
result, and I believed that I was with-
out help. Not so, however, for the mes-
senger of health came through Dr.
Greene's Nervura, which was recom-
mended by a friend who had received
great benefit from its use for only a
few weeks. Having suffered in a mea-
sure from an attack similar to my own
I believed that he knew what he was
talking about, and so decided to try
Nervura."

"The result in my case has been far
beyond all of my expectations. I can
assure you. The benefits began to be
apparent before I had finished taking
the first bottle. Before this I had not
been able to apply myself to my official
duties, but day by day I began to ex-
perience a marked change for the bet-
ter, and to-day I seem as well as ever.
For some time I had to give up business
entirely at times. I was wholly unfitted
for any kind of mental action, and at
one time thought that unless improve-
ment came I would become a burden
to myself and friends. To-day, all of
that nervousness has disappeared, that
which the doctors could not relieve.
With the improvement in my nervous
system came better health generally,
and to-day I feel endowed with new
vigor and health, thanks to the use of
Dr. Greene's Nervura blood and nerve
remedy. I would not be without it un-
der any circumstances."

Mr. Brown says that it affords him
much pleasure to recommend the re-
medy prepared by Dr. Greene, who, he
considers, is a benefactor to mankind.
Brown can be found at his office every
day. He honestly and enthusiastically
recommends it to others. We would
say, also, that this remarkable remedy
is the prescription and discovery of Dr.
Greene of 35 West 14th street, New York
City, who can in all cases be consulted
free of charge, personally or by letter.
